CD paint

Watch the adult demonstration

Resources

Old CD | pencil | elastic bands | washable paint | large white paper | tray

How To Guide...

1. Secure the CD horizontally around the pencil and check it spins.
2. Place the paper in a tray and add small paint dots to the CD.
3. Spin the pencil so the CD turns over the paper.
4. Pause, lift the CD and show the circular pattern.

Adult preparation: Check the CD has smooth edges and the fixing is secure.
