Messy plant pot

Watch the adult demonstration

Resources

Two plastic plant pots | shaving foam | washable paint | deep tray

How To Guide...

1. Place one pot upside down in the tray.
2. Cover its base with foam and a little paint.
3. Slowly press the second pot down over the foam.
4. Lift it and reveal the colourful squish.

Adult preparation: Keep the foam in the tray and away from faces.
