Friday 27th March 2026

Dear Parents and Carers,

Across the week beginning the **13th April 2026**, as part of our **Science and Outdoor Learning week**, we will be taking part in outdoor learning sessions within the school grounds. This will happen whatever the weather so please can you ensure your child brings with them to school the following named kit:

- comfortable outdoor shoes (e.g. welly boots or old trainers)
- old trousers (e.g. jeans/tracksuit bottoms - waterproof trousers too if you have some)
- waterproof coat
- a jumper
- a sun hat and with sun cream already applied (weather dependent!)

Please do not send them in their best clothes. We are likely to become dirty, as we will be working outside during these sessions.

The children will also have an **Outdoor Day** where they will be taking part in outdoor learning for the whole day. On these days children should come to school in their outdoor clothing ready for the day ahead.

The days are as follows:

- **Year R** – Tuesday 14th April
- **Year 1** – Wednesday 15th April
- **Year 2** – Thursday 16th April

School lunches will be provided on these days and eaten at school as normal. If your child prefers, they may bring in their own packed lunch.

If you have any questions at all please do contact the school admin office and we will be happy to help.

With best wishes,

C. Wood

Mr Wood
Outdoor Learning Leader
